

Double Log Rack

***Congratulations on your purchase of the Double Log Rack.
We believe that you will find it a product of unsurpassed quality.***

The package should include:

- 2 End supports with plugs
- 4 Base supports with plugs
- 3 Cross Braces
- 1 Hardware pack

Hardware Pack includes:

- 12 Bolts
- 12 Nuts
- 6 Washers

Assembly Instructions:

1. Place cross brace between end support and base support and between center base supports.
2. Thread 1st bolt through end, brace and brace support. Hand tighten. Insert 2nd bolt through end, washer and base support.
3. Repeat step two for other end and to connect the base supports.
4. When all bolts and nuts are in place, tighten securely.

WARRANTY INFORMATION:

Products of The Hammock Source are guaranteed to be free of defects in workman-ship and materials for up to one year after the purchase date. Prolonged exposure to weather conditions including snow, rain, and humidity are not covered under the warranty nor is damage caused by negligence, improper use, normal wear, mildew, improper care including storage, maintenance, and installation or damage caused by natural disasters. If an item is found to be defective within one year of its purchase, it will be replaced without charge upon the return of the unit accompanied by a sales receipt. A Return Authorization is needed for return and may be obtained by contacting 252.758.0641.

CAUTION

Do not load storage rack until unit is fully assembled on a flat, level surface. Load and unload evenly for proper weight distribution. If the load is unbalanced, the rack could tip over possibly causing injury.
